

# Tutoring Programs Los Angeles Area

### **FamilySource Centers**

FamilySource Centers (FSC) are located in high-need areas of the City and provide a continuum of core services designed to assist low-income families become self-sufficient by increasing family income and academic achievement for youth and adults. The Centers are one-stop community centers that offer a host of social, educational, work and family support services, including multi-benefit screening, pre-employment and employment supports, youth education and cultural after-school activities including tutoring and college access activities. Other services include computer literacy, financial counseling and tax preparation, parenting, English as a Second Language (ESL) classes, and food distribution. All FSCs have universal access services available to all persons. Additionally, case management services are available to low-income parents and guardians, and their children 17 years and under.

Location: 16 Centers in Los Angeles Area

### **CSUDH Upward Bound Program**

The Upward Bound Program (UB) at CSUDH offers a wide network of support services that help ensure academic and personal success for 185 first-generation, low-income students from Jefferson, Carson, Gardena, Hawthorne, and Leuzinger high schools. Upward Bound is designed to increase high school retention and graduation rates of underrepresented students. The program also strives to enhance participants' potential for acceptance to and graduation from four-year universities and professional schools. UB is part of the federally-funded TRIO programs that help disadvantaged students overcome environmental, cultural, and academic barriers to higher education.

Location: Carson, CA

### **CSULB Upward Bound Program**

Upward Bound provides fundamental support to participants in their preparation for college entrance. The program provides opportunities for participants to succeed in pre-college performance and ultimately in higher education pursuits. Upward Bound serves high school students from low-income families, high school students from families in which neither parent holds a bachelor's degree, and low-income, first-generation military veterans who are preparing to enter postsecondary education.

Location: Long Beach, CA
